Sir:

A Notice of Allowance and Issue Fee Due was mailed in the above-captioned case on November 8, 2007. This request is being submitted with the payment of the issue fee.

Applicant requests the U.S. Patent and Trademark Office to enter the Amendments submitted under 37 CFR § 1.312 for the following reasons:

There were two separate amendments to the Related Applications paragraph, a first filed on June 30, 2003 and a second filed on May 30, 2006. The second mistakenly omitted the language from the first amendment that included the reference to 09/454,711. The amendment is necessary to provide all relevant information regarding the priority applications.
